

Help spread the **warmth** this winter

For a family in need, your tax-deductible donation to the non-profit Warm Hearts agency can make the difference between facing the future in cold fear or receiving much-needed warmth this winter.

Make your tax deductible donation payable to **Black Hills Cares** and natural gas utility Black Hills Energy will **match** your donation. The total will be distributed in its entirety by Warm Hearts for energy assistance to households in Lawrence and Douglas County.

Yes, I want to help.

Enclosed is my check made out to Black Hills Cares in the amount of \$ _____ to be distributed by Warm Hearts of Douglas County.
